NOTICE OF MOTION AND MOTION

MOTION FOR JUDGE GEE TO RECUSE HERSELF AND HAVE THE CASE REASSIGNED TO A JUDGE, WHO WAS NOT APPOINTED BY BARACK OBAMA AND WHO IS LOCATED IN THE SOUTHERN DIVISION OF THE CENTRAL DISTRICT OF CA

To all parties in the case, you are notified that on Friday, August 10, 2012, 9:30 am, at Courtroom 7, U.S. District Court for the Central District of California, Western Division, 312 North Spring street, Los Angeles, CA 90012 Plaintiff will argue her motion for Honorable Judge Dolly Gee to recuse herself as a Presiding Judge in the case of Taitz v Sebelius et al.

ARGUMENT

Under 28 U.S.C. §455(a), a justice, judge, or magistrate of the United States is required to recuse himself 'in any proceeding in which his impartiality might reasonably be questioned'. In addition, 28 U.S.C. 544 (b) (1) states that the judge should recuse himself: "Where he has a personal bias or prejudice concerning a party, or personal knowledge of disputed evidentiary facts concerning the proceeding". Furthermore U.S.C. 455 (b)(5)(iii) provides that the judge should recuse if: "Is known by the judge to have an interest that could be substantially affected by the outcome of the proceeding".

heavy traffic, when the case can be heard in the Southern Division in Santa Ana, where it was filed and where there are plenty of federal judges, who can hear this Complaint.

CONCLUSION

Based on conflict of interest of Judge Gee being an Obama appointee and the case challenging legitimacy of Obama due to his use of forged identification papers, Plaintiff respectfully requests judge Gee to recuse herself as a judge in this case and have the case reassigned to a judge, who was not appointed by Obama and does not have an inherent conflict of interest, and who is located in the Southern Division of the Central District of California.

Respectfully submitted,
